

Fola Adeleke®

I BUILD CREATIVE WORLDS THROUGH CULTURE, STORYTELLING AND MATERIAL EXPLORATION. EVERY COLLECTION STARTS BY DRAWING FROM HERITAGE, MEMORY AND MY LIVED EXPERIENCE TO CREATE WORK THAT FEELS BOTH FAMILIAR AND NEW. I BELIEVE DESIGN SHOULD CONTRIBUTE SOMETHING MEANINGFUL, NOT SIMPLY ADD TO THE NOISE. MY ROLE IS NOT TO REINVENT CULTURE, BUT TO HONOUR IT, REINTERPRET IT WITH INTEGRITY, AND BUILD NEW FUTURES THAT REMAIN CONNECTED TO THEIR ORIGINS. MY AIM IS TO DESIGN WORLDS THAT PEOPLE CAN WEAR.

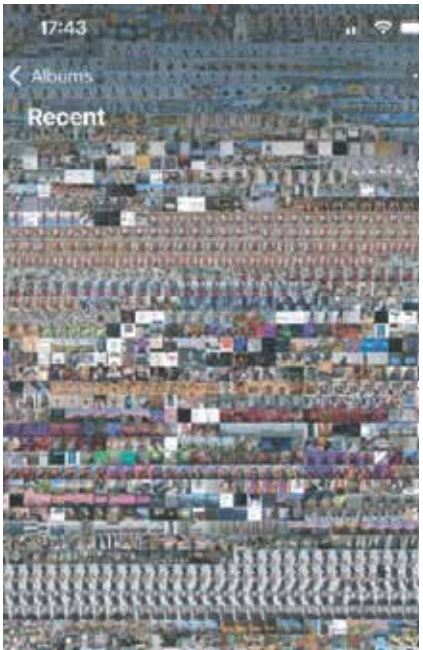

OVERSTIMULATION REPETITIVENESS CONTRAST

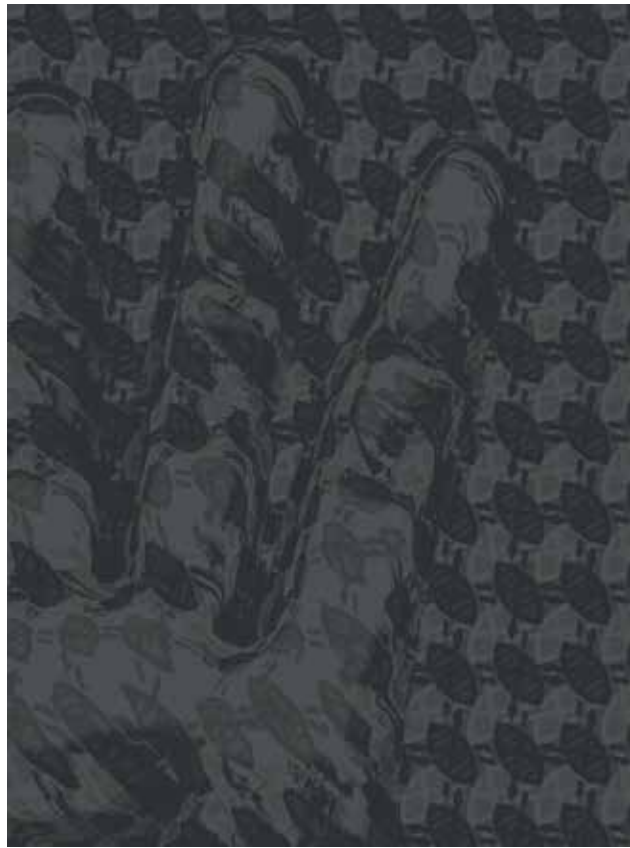

Life / the world is constantly changing and becoming more and more artificial. We are experiencing a circular existence where lines between the physical and digital worlds are blurred. A world where digital overstimulation grows, which causes a sensory overload when the brain gets more input than it can process.

The takeovers of Artificial intelligence ensure that our instinctive social dynamics move to an artificial world. The human being in the 'now' moves through life like an automatic pilot. The constant loop we are moving in is the 9 to 5 (Matrix). (If it were a monotone image of what humankind can be.)

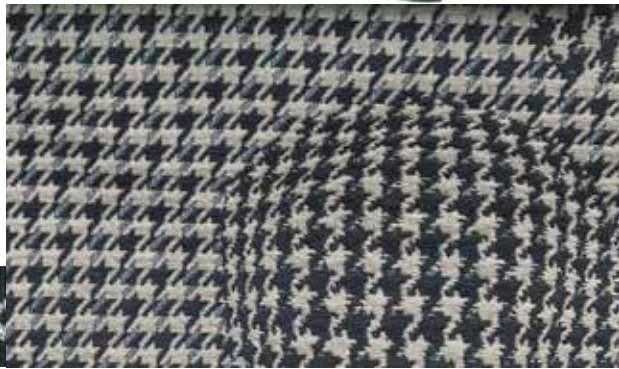

The stimulations we seek in the now make us break with the loop. Think of the little splurges like impulsive buying, the impulsive eating out. Wanting to live much more in the now because the future is uncertain, and we long for instinctive dynamics.

We are giving a new meaning to the future from the perspective of the now. We are forming a realistic picture of how the future could be shaped without losing what we have known. If it were to create a memoir of the past that we have learned in order not to lose our essence and cultural values and to surrender them to the future, the diaspora/youth.

GREEN MOSS

Green moss meaning can refer to the color moss green, which symbolizes **growth, nature, and tranquility**, or the symbolism of moss in cultures and nature, representing renewal, resilience, and a deep connection to the earth. In some contexts, "green moss" can also refer to moss agate, a type of stone associated with abundance, healing, and grounding energy. [🔗](#)

THE DANCE BETWEEN THE DARKNESS AND THE LIGHT

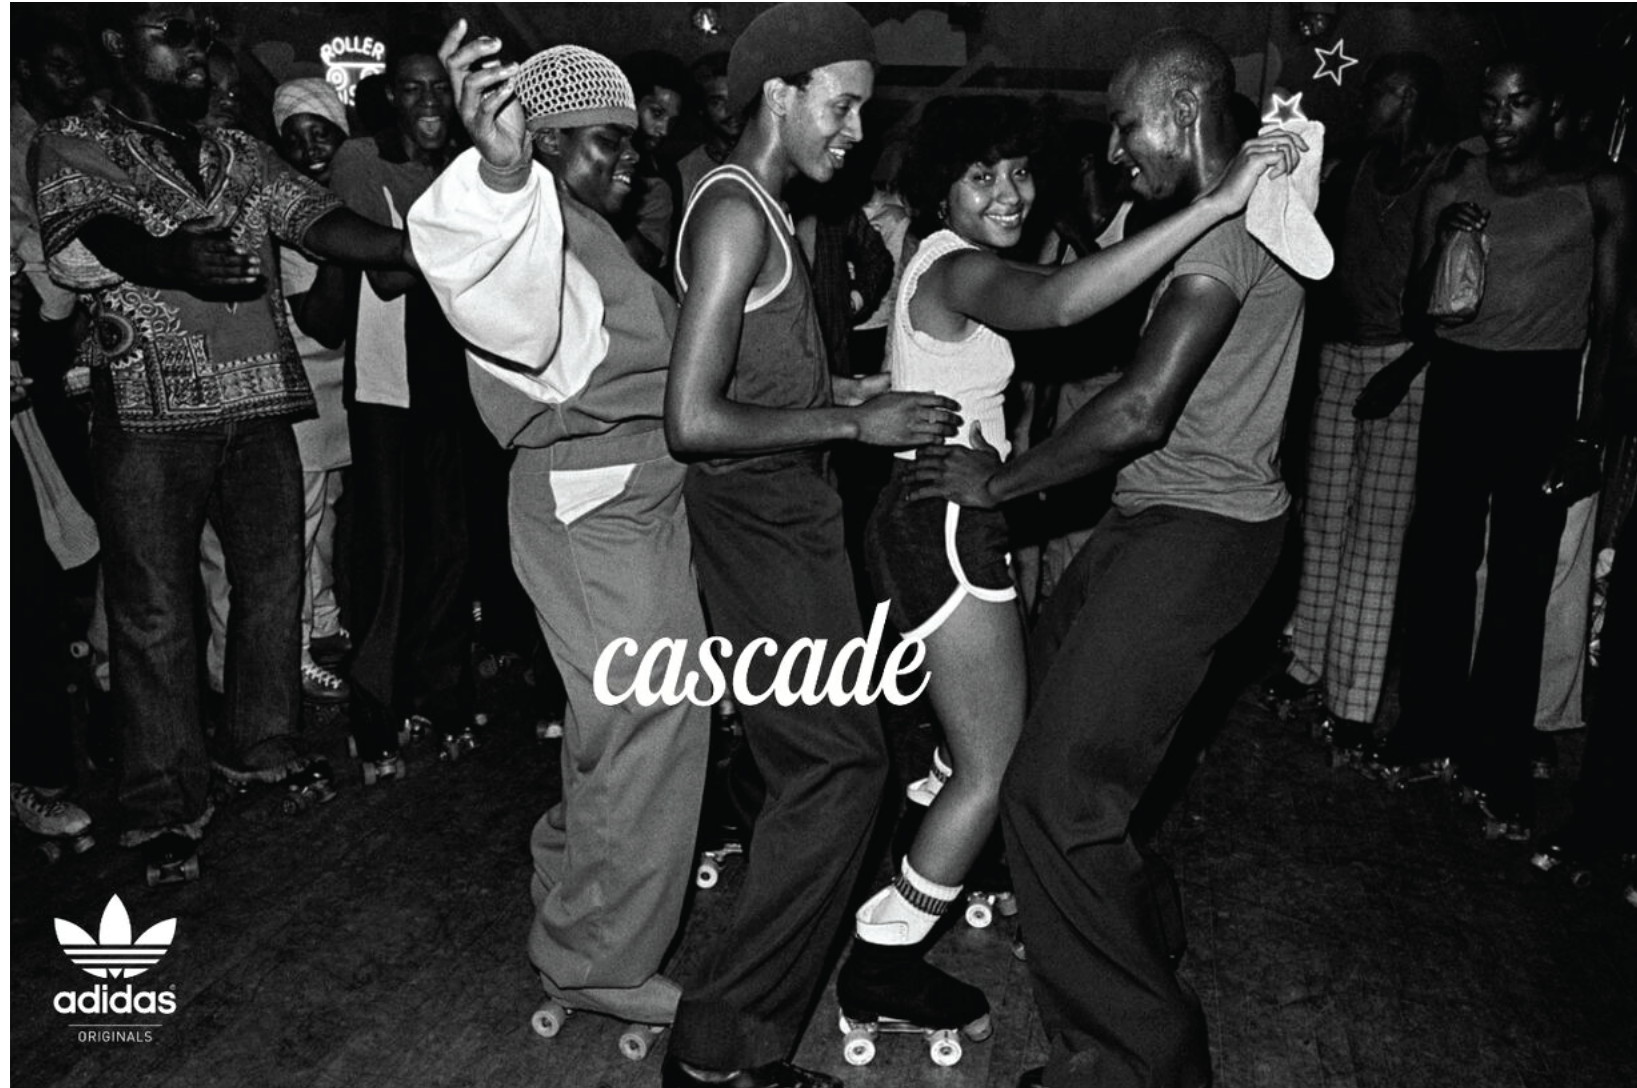

IN THE DARK, CREATIVITY THRIVES. IT IS A SPACE WHERE WE FIND INVENTIVE SOLUTIONS AND CREATE A UNIQUE PLAY OF LIGHT. THIS COLLECTION UNDERLINES THE EQUAL IMPORTANCE OF DARKNESS AND LIGHT - BOTH ESSENTIAL, ONE NOT EXISTING WITHOUT THE OTHER. IT IS A BALANCED INTERPLAY WHERE BRIGHTNESS COMES OUT OF THE SHADOWS. IN TODAY'S MODERN WORLD, UNITY TAKES ON NEW FORMS, SUCH AS BEING CONNECTED THROUGH OUR PHONES OR THE COLLECTIVE ACT OF RAISING OUR FLASHLIGHTS DURING A CONCERT. THESE MOMENTS OF SHARED ILLUMINATION REMIND US OF THE POWER OF COMING TOGETHER, EVEN IN THE DIGITAL AGE

PRACTICE

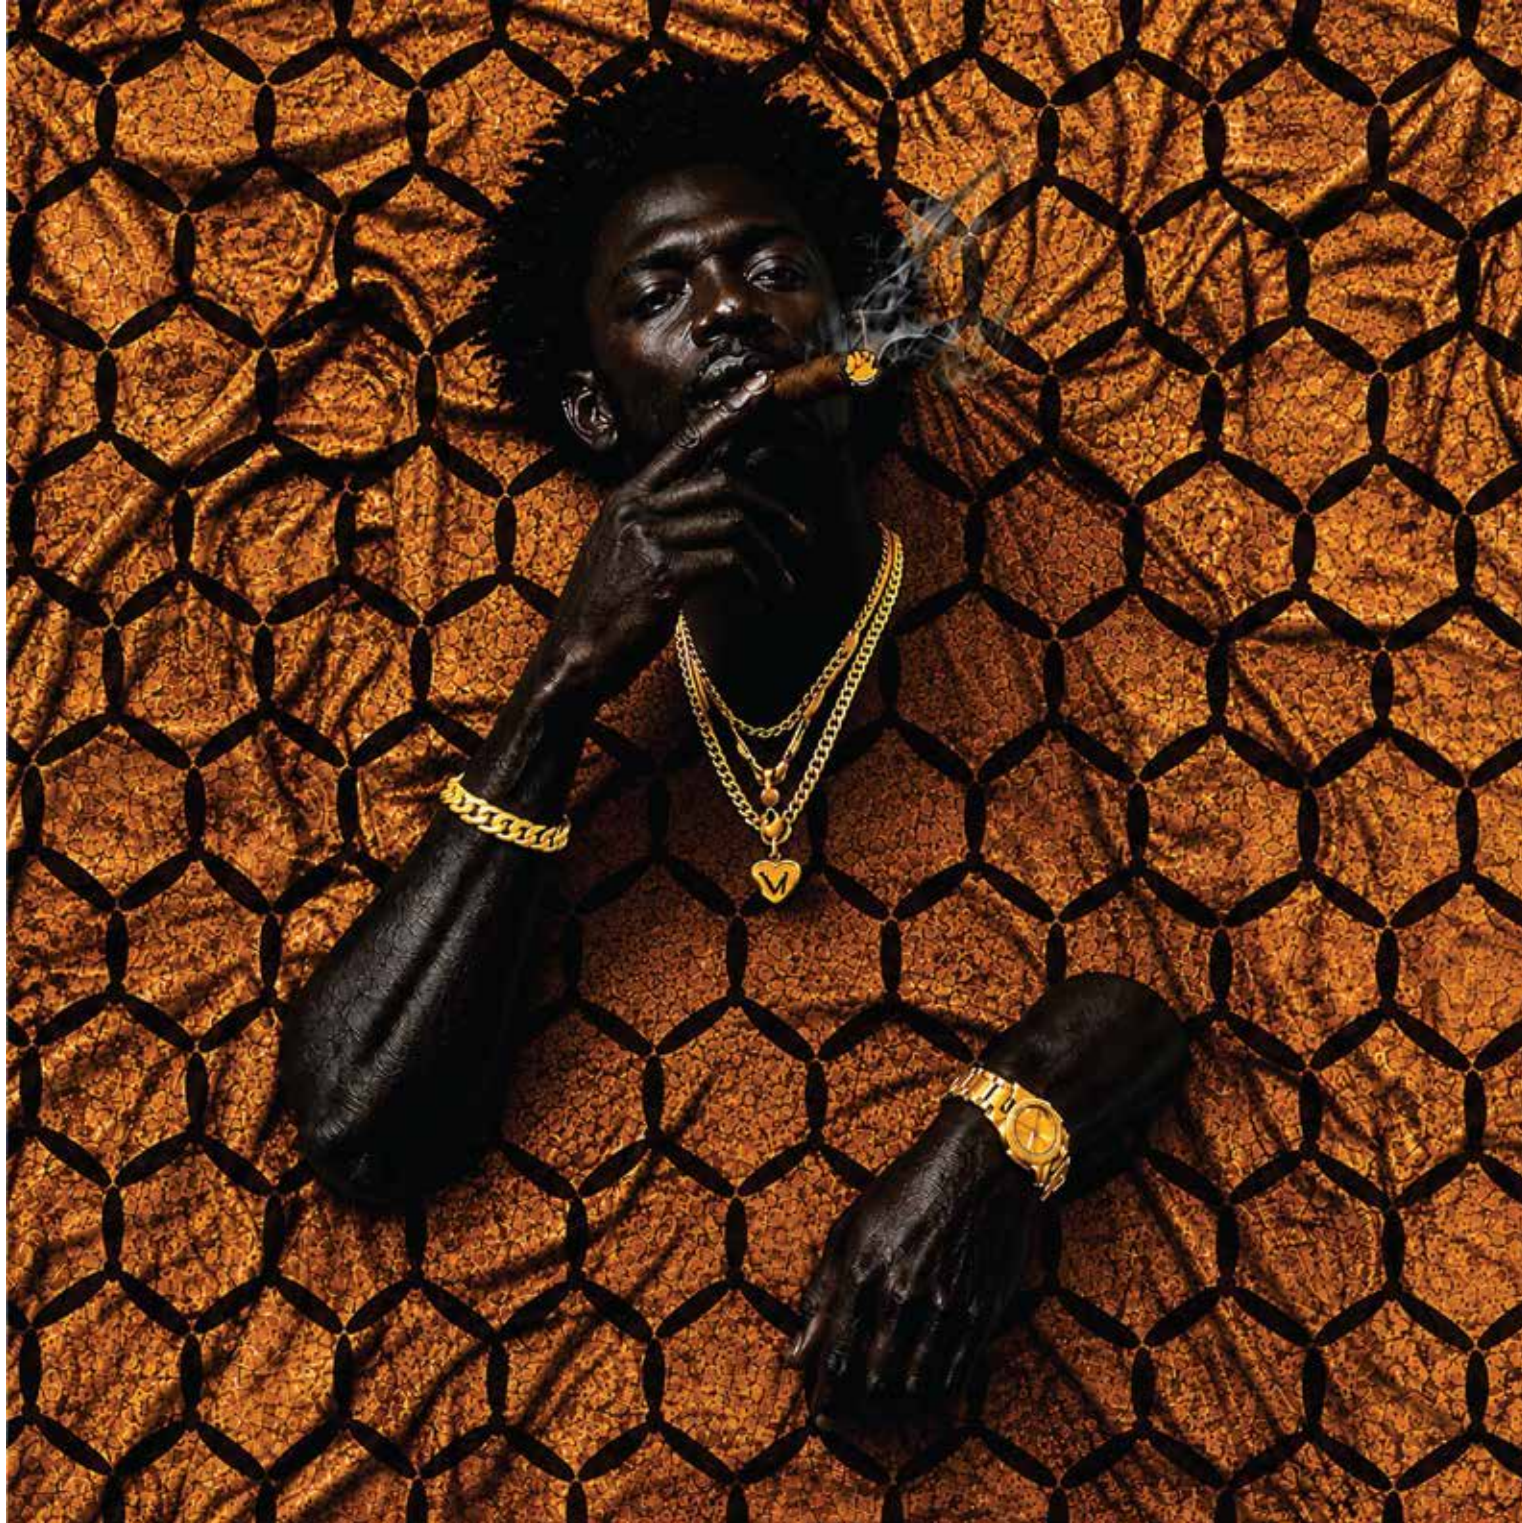

Mixed Media Digital

Fola Adeleke is a Nigerian-British mixed media digital artist and designer raised in East London, whose work explores identity, culture, and emotional memory through layered contemporary visual storytelling. Influenced by the intersection of African heritage and urban life, his practice blends texture, symbolism, portraiture, and graphic composition to create works that feel both deeply personal and culturally expansive.

Alongside his artistic practice, Adeleke is the Lead Designer at Daily Paper, where his visual language has been shaped by fashion, architecture, music, and contemporary African creativity. Now based between Amsterdam and London his work carries a strong sense of rhythm, design sensitivity, and modern cultural dialogue.

Through mixed media and digital composition, Adeleke creates collectible works intended to bring presence, depth, and narrative into contemporary interiors. His pieces sit at the intersection of art, design, and cultural preservation, balancing refined aesthetics with emotional and symbolic resonance.

DROWNED IN NATIVE CLOTH - KEHINDE

Drowned in Native Cloth is a visual meditation on identity, ancestry, and cultural permanence. Through layered native fabrics, and symbolic representation, the collection explores the idea that African culture is not simply worn – it is inherited.

To be "drowned" in native cloth is to be completely immersed in heritage

LOUD CELEBRATION

*Loudness beyond sound – celebration as something deeply felt rather than simply heard.
Joy, pride, and release as their own language.*

OFF ROAD

THE CONCEPT FOR "OFF ROAD" BEGAN WITH THE POWERFUL WORK OF NIGERIAN PHOTOGRAPHER ANDREW ESIEBO, WHOSE SERIES CAPTURES THE CREATIVE REPURPOSING OF TYRES IN LAGOS. ESIEBO'S PORTRAYAL OF VULCANISERS—WHO, LIKE SURGEONS, EXTEND THE LIFE OF TYRES DESTINED FOR THE SCRAP HEAP—SPARKED OUR EXPLORATION OF **INGENUITY** AND RESOURCEFULNESS. INSPIRED BY HOW THESE TYRES FIND NEW LIVES AS SEATS, SWINGS, AND MORE, WE TRANSLATED THIS SPIRIT OF REINVENTION INTO OUR COLLECTION. "OFF ROAD" REFLECTS THIS ETHOS: REDEFINING WHAT EXISTS, MAKING NEW PATHS, AND CELEBRATING THE BOLDNESS OF CREATING YOUR OWN WAY.

Floral Galaxy

FLORAL GALAXY CONCEPT

FLORAL GALAXY IS A CONCEPT THAT PUSHES REALITY INTO THE UNKNOWN, EXPLORING HOW FLORAL COMPOSITIONS CAN EXIST BEYOND THEIR NATURAL ENVIRONMENT AND INTO IMAGINED WORLDS. IT TAKES THE STRUCTURE AND GROWTH FOUND IN FLOWERS AND TRANSLATES THOSE PRINCIPLES DIRECTLY INTO GARMENT CONSTRUCTION, CREATING FORMS THAT FEEL BOTH ORGANIC AND FUTURISTIC.

THE CONCEPT IS ABOUT BUILDING NEW REALITIES THROUGH DESIGN WHERE NATURE, INNOVATION, AND IMAGINATION COLLIDE TO REDEFINE PERFORMANCE AND EXPRESSION. ROOTED IN NIKE'S ETHOS OF CHALLENGING CONVENTION AND RELENTLESSLY PUSHING THE BOUNDARIES OF WHAT IS POSSIBLE, FLORAL GALAXY REPRESENTS A FUTURE WHERE CREATIVITY BECOMES A FORCE FOR INNOVATION, INSPIRING ATHLETES AND CREATORS TO MOVE BEYOND THE EXPECTED AND INTO NEW DIMENSIONS OF POSSIBILITY.
